IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.35307 of 2008
MANISHA DEVI & ANR
Versus
STATE OF BIHAR
---

2. 12.9.2008 Heard.

The earlier prayer for bail of the two petitioners was rejected by Annexure-1 and the materials remained the same till date. The case relates to the incident of a school going child being kidnapped and murdering him by the husband of petitioner Manisha Devi. What the facts indicate is that Gauri Devi was very much in the house from which the belongings of the child, like, school bags and lunch box were recovered.

Might be, that the petitioners might not have participated in the ultimate act of killing the child, but she was privy to the offence and the petition was rightly dismissed. It is dismissed again.
